

FINANCIAL COUNSELLING SUPPORT FOR FARMERS IN THE GILGANDRA, SOUTHERN COONAMBLE AND NORTHERN WARRUMBUNGLA LGA'S

Jeff Caldbeck, CEO of the Rural Financial Counselling Service NSW Central Region (RFCSCR), recently announced the appointment of Phoebe Maroulis as a Rural Financial Counsellor (RFC) to the Gilgandra office.

The appointment of Phoebe from the 14th August 2017, has come at an appropriate time as clients within the Local Government Areas of Gilgandra, Southern Coonamble and Northern Warrumbungle LGA's prepare for the upcoming season with the outlook for unfavourably dry conditions and reduced pasture growth.

Phoebe has experience in a range of fields that showcase her commitment to ensuring rural Australians find profitable opportunities to do what they love. Her career path has led her through agri-politics, community development, the arts, running a service station, bioenergy, grazing and cropping and online retail.

Phoebe has a Bachelor of Commerce from UNE, a Bachelor of Industrial Design from UNSW and is currently completing a Diploma of Financial Counselling. She has a passion for the human aspect of farm profitability, and is looking forward to supporting clients to get back to financial good health by providing free and confidential financial counselling and referral support through the Gilgandra office, located at 21 Warren Road, Gilgandra.

Phoebe is eager to take on the role of Gilgandra RFC and will assist eligible clients to better understand their financial situation by providing: access to financial information and options, empower clients to make their own decisions on how to effectively manage change and adjustment, referring clients to other service providers and linking them to government and industry assistance.

For more information on the services provided via the Rural Financial Counselling Service Program or to make contact with Phoebe Maroulis, please call her mobile 0458 017 675, our new 1800 940 404 telephone number or email gilgandra@rfcscr.com.au
